Dear Madam

Re: Key Stakeholder Group - Legume to Woodenbong Road Alliance

The Legume to Woodenbong Road Alliance was formed in February 2014 as a Section 355 Committee of Tenterfield Shire Council. Formerly the Alliance was the Downs to Rivers Action Committee which was set up in under the auspices of Council in September 2009.

Council has recently undertaken a review of the operation of its committees established under Section 355 of the *Local Government Act 1993*. The General Manager submitted a report to Council in November 2016 with the adoption of the following section of Resolution 289/16:

"That Council contact the members of the Legume to Woodenbong Road Alliance inviting them to become part of the key stakeholder group to be utilized during the upgrade of this section of the Mt Lindesay Road."

Therefore, the Legume to Woodenbong Road Alliance Committee under Council's Section 355 Committee's has now wound up.

However, as Federal/State Government funding of \$24m has been awarded for the upgrade over the next three (3) years, you are invited to become a member of the key stakeholder group to oversee the project.

It is anticipated that a meeting of the Group will be called late January/early February 2017.

Please contact Noelene Hyde (email: n.hyde@tenterfield.nsw.gov.au or (02) 6736 6000) to confirm your interest.

Yours sincerely

Damien Connor
General Manager
