Long-time Kyogle Council employee Bruno Sudiro.

Bruno Retires

Long-time and much admired Kyogle Council employee Bruno Sudiro has decided the time has come to smell the roses rather than grow them.

Bruno was five days short of 35 years with the Council when he retired on March 7. Renowned for the beautiful display of roses he produced every year in Kyogle's parks and gardens, Bruno originally joined Council as manager of the Kyogle Caravan Park.

More recently he worked within

Council's Urban and Assets Department, taking great pride in being able to put his green thumb to good use beautifying Kyogle's parks and gardens.

"I put my heart and soul into the gardens – it was the best part of my job," Bruno said.

"To plant something in the ground, watch it grow into something beautiful and then see other people enjoy it – what could be better than that?"

Bruno will use his extra free time to help care for his elderly mother, allowing her

continued over page

Life-saving Support from Lions Club and Rotary

Four defibrillators have been installed at locations throughout Kyogle in a joint project involving the Kyogle Lions and Rotary Clubs.

The Lions Club has installed defibrillators at three locations in Kyogle -- Dave's Bakehouse, the Seniors Centre and Kyogle Motel – while the Rotary Club put one of the life-saving machines in the IGA Supermarket. Kyogle Lions Club members would like thank Brown & Hurley (with their Charity Golf Tournament) and Essential Energy, for their generous financial

support of the project. Operators of the defibrillators must be trained in their correct use.

Development Applications – February 2014

DURING THE PERIOD FEBRUARY 2014, COUNCIL RECEIVED 8 DEVELOPMENT APPLICATIONS, THE DETAILS OF WHICH ARE SUMMARISED BELOW.

14/7	Dwelling	5 Howard Court, Kyogle
14/8	Demolition	131-141 Summerland Way, New Park

DURING THE PERIOD, THE FOLLOWING COMPLYING DEVELOPMENT APPLICATION WAS APPROVED.

CDC 14/1	Dwelling additions	14 Pratt Street, Geneva
----------	--------------------	-------------------------

Bruno Retires

continued from previous page

to stay living in the family home.

He also plans on doing some travel, wetting a fishing line when he has time and getting out on his bike.

Everyone at Kyogle Council wishes Bruno a long, happy and healthy retirement.

From the Mayor

Just as I promised, the first of my Mayoral outreach meetings was held in Woodenbong on 12 February with Councillor Passfield and it was great to see and meet the people who came along and let me know about their issues and concerns. I do appreciate your input.

The next meeting was held in Bonalbo on 12 March from 10am to 1.30pm and it was wonderful to meet everyone who came along and listen to your issues and concerns.

I think the meeting was very successful and I thank Councillor Reardon along with the Executive Managers for attending with me. I think having everyone together means that our chances of addressing issues are so much better. As promised, the next mayoral meeting will be held in Tabulam and Mallanganee (probably an hour or so in each depending upon demand) on Wednesday, 16 April 2014 and I'd be very pleased to see you there. All I ask is that you ring and book a time with Ms Janelle McLennan at Council on 6632 0214 so that you won't be kept waiting. If you can also advise her of your issue and contact details (i.e. phone numbers, email, etc.) this will help me to make some background enquiries so that any information you receive is correct and up to date.

A big congratulations to *Kyogle Care Connections* for the recent allocation of funds from the Commonwealth Government.

The good people at *Kyogle Care Connections* do fine work and are deserving of all the support that our State and Federal counterparts can give them.

We appreciate all that you do and wish you all the best for your continuing good services.

I like to meet as many of you as I can, but there's only one of me and there's a lot of you so if you see me in the street, feel free to say hello. Alternatively, you can always phone, email or contact me on *Facebook* if there's something you'd like me to know about.

I'll always try and do my best to represent your needs in Council and to the various committees and levels of government that I encounter as part of the role of being Mayor. But remember, speak up and be heard and together we'll see what can be achieved. Stay tuned as there'll be more to come next time.

Until next time, all the best.

Danielle Mulholland
Mayor

LEP Amendments

Kyogle Council wants you to have your say on the proposed amendment to the 2012 Local Environmental Plan to allow rural boundary adjustments and split zoning subdivision. Council has resolved to amend the Kyogle LEP to permit adjustment of boundaries between adjoining rural properties where one or both of the new lots will not meet the minimum lot size specified in the LEP. The proposed amendment

will allow owners of existing rural lots to carry out boundary adjustments with adjoining lots where this will result in improved land use and farm management outcomes. The current LEP provisions relating to minimum lot size for rural lots may also restrict the subdivision of certain lots with split zoning (eg, residential and rural). The proposed amendment includes a clause to provide for subdivisions in this instance. The proposed amendment is on public exhibition from 12 March until 11 April 2014 and Council is seeking feedback from the community during this time.

The LEP amendment and supporting documents can be inspected at Council's administration building at 1 Stratheden St, Kyogle or on Council's website www.kyogle.nsw.gov.au.

Any member of the public may make a submission on the draft amendment by 11 April. Submissions should be made in writing and addressed to: The General Manager, Kyogle Council, PO Box 11 Kyogle NSW 2474 or emailed to council@kyogle.nsw.gov.au. For further information please phone Council's Planning and Environment Department on 6632 0293.

Maintenance and Construction Works

The first of the two East of the Range maintenance grading crews has completed work in the Findon Creek area and will move on to Lavelles and Roseberry Creek Rds. The second East of the Range grading crew has completed its works in the Dyraaba area and is moving to Boorabee Creek Rd and will continue in the Back Creek area. The West of the Range crew is working on Bulmers Rd having finished its work in the Tabulam area on Rodgers, Racecourse and Jacksons Flat Rds. Construction works on Ettrick Rd on the far side

of the range are nearing completion. The crew will then start work on Kyogle Rd on the eastern side of Cawongla. The jetpatcher has been working on the Summerland Way and Grady's Creek and is now moving to Collins Creek Rd. Pothole repairs have been completed on the Clarence Way and the Mount Lindsay Rd. Roadside slashing has been completed on Kyogle, Gradys Creek and Wiangaree Back Rds and is continuing in the Woodenbong area. Slashing has also started on Bentley Rd. Bridge construction works

are progressing well on the replacement of two timber bridges -- one on Toonumbar Rd and the other on Yabbra Rd. Following some expert advice we have been forced to close the timber truss bridge over Minneys Creek on the unsealed section of the Clarence Way south of the Bruxner Highway. The closure had to be put in place at short notice and Council apologises for any inconveniences. Council is currently exploring its options for the bridge but in the meantime there is a detour in place via Plains Station Rd.

Lions Road Time Trial

Organisers of the proposed Lions Road time trial event presented the overview of their proposed event at Council's meeting on March 10.

The event organisers are expected to begin formal consultation with affected residents within the next few weeks. The initial stage of the consultation will involve a letter box drop of information about the proposed motorcycle event to residents living in the areas that will be affected by the proposed road closures. The organisers have also advised that they will be looking to meet with local organisations whose support may be needed for the co-ordination of the event, such as the Chamber of Commerce.

Modelled along similar lines to the famous Isle of Man time trial, the proposed Lions TT would travel a 40km route starting from Rathdowney to Ripples On The Creek at Gradys Creek.

The route would traverse Running Creek Road and then head onto the Lions Road. Organisers say the route would have to be closed off to all traffic at times during the event, however provision would be made for some local traffic movements during the days of the event. The seven-member not-for-profit group putting the event together comprises sports marketing professionals, accountants and high profile sports men including swimmer Keiran Perkins and motor cyclist Cameron Donald.

Chairman Casey Stringfellow said any profits generated by the event would be put back into improving the Lions Road and surrounding areas.

"By the very nature of running an event on the Lions Road annually and finishing

the event in Kyogle, there is a great economic benefit opportunity for the town of Kyogle and its constituents," he said.

Mr Stringfellow said the organising group was determined to develop an event that minimised disruption to land owners and maximised regional benefit.

The organisers are hoping to run the event for the first time over the October long weekend in 2014, with plans to then run the event on an annual basis.

Mr Stringfellow said the first event would demonstrate the viability of the Lions TT concept and help to set effective protocols and processes to ensure event safety, enjoyment and economic benefit into the long term.

To view the full Lions TT media release go to Kyogle Council's website www.kyogle.nsw.gov.au or the event website www.lionstt.com which is expected to be up and running soon.

The contact details for the event organisers are contained on the media release, or you can contact Council Executive Manager Urban and Assets on (02) 6632 0228 if you have any further enquiries.

Pool Closure

The public swimming pools at Kyogle, Woodenbong and Bonalbo will close for the season on Thursday, April 17.

Traffic Sign Guidelines

Thousands of children are injured or killed on NSW roads every year. To ensure that no child is hit by a car when going to or from school in the Kyogle local government area, the council is urging everyone to take extra care when driving and parking in school zones. Motorists are urged to make sure they and their children understand the road rules. People should be aware that if they break the traffic rules in a school zone they are actually putting children at risk. Parking and traffic rules around our schools are there to protect children. Anyone breaking the rules may be fined. Below is a quick guide to some of the most commonly misunderstood traffic rules.

No Stopping

What does it mean? You cannot stop in this area FOR ANY REASON. Why is it there? To keep sight lines clear for drivers and children so both have more time to avoid crashes. Penalty \$304 + 2 demerit points (School Zone).

No Parking

What does it mean? You can

stop in a NO PARKING zone for a maximum of two minutes to drop off and pick up passengers. You must stay within three metres of your vehicle at all times. Why is it there? To provide a safe place for older children to be set down and picked up without endangering other children. Penalty \$169 + 2 demerit points (School Zone).

Bus Zone

What does it mean? What does it mean? You must not stop or park in a bus zone unless you are driving a bus. Why is it there? To provide a safe place for large buses to set down and pick up school children. Penalty \$304 + 2 demerit points (School Zone).

Pedestrian Crossings

You must not stop within 20 metres before a pedestrian crossing or 10 metres after a crossing unless there is a control sign permitting parking. Why is it there? To ensure that children can be clearly seen by vehicles approaching the crossing. Penalty \$405 + 2 demerit

points (School Zone).

Driveways

You may stop over the entrance of a driveway to pick up or set down passengers, but you may not wait there or leave

your vehicle unattended. Penalty \$169 + 2 demerit points (School Zone).

Footpaths and nature strips

You may not stop on any footpath or nature strip, or even a driveway crossing a footpath or nature strip FOR ANY REASON. Why is it there? You could easily run over a child or force pedestrians onto the road to get around you. Penalty \$169 + 2 demerit points (School Zone).

Double parking

You may not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers. Why is it there? Double parking forces other cars to go around you causing traffic congestion and reduces the view of drivers and children crossing the road. Penalty \$304 + 2 demerit points (School Zone).

Additional safety tips for school zones: Always drop-off or pick-up your child from the designated area, following the school's procedures:

- Make sure children use the footpath-side door when getting in and out of a car;
- Make sure the hand brake is applied when the vehicle is stationary;
- Never double park;
- Never park across a pedestrian crossing;
- Never undertake a U-turn in close proximity to the school.

Funding Assistance

Kyogle Council distributed more than \$17,000 in financial assistance grants and Futures Funding at its March meeting.

Groups to receive financial assistance grants included: Pikapene and Cherry Tree Environment

Centre, \$400; Bonalbo and District Community Hall Association, \$600; Tunglebung Hall Committee, \$1000; Tabulam Racing Club, \$1000; RSL Sub branch/Kyogle Red Cross \$1000

Futures Funding went to: Kyogle District Care Connections, \$1000; Gugin Guddaba Find Your Music Project, \$2000; Wiangaree Rodeo and Sports Committee, \$4000; Wadeville Reserve

Trust, \$3500; Mallanganee and District Progress Association \$620; Village Hall Players, \$2000.

Council also resolved to carry forward \$2000 from the remaining 2013/2014 Futures Funding for Kyogle projects and allocate it to the Border Range Rally should council decide to contribute funds towards the event.

Youth Advisory Committee

Kyogle Council has announced the names of the 12 young people appointed to serve on its newly formed Youth Advisory Committee.

They are:

Louise Donnelly, Danny Carbery, Kirra Harrison, Kleon Toffetti, Hayden Doolan and Mitchell Reid, from Kyogle; Shannon Smith, Jordan Bowman, Shania Hickling and Hamish Bernhagen, from Bonalbo and Tabulam; and Penny Lee and Caitlin Grimmett, from Woodenbong. The committee will be tasked with identifying issues of concern to young

people in the Kyogle Council area and making recommendations to council on how those issues can be addressed.

Kyogle Council Mayor Danielle Mulholland said she was looking forward to working with the young people to create a bridge to cross the generational divide as well as link the different communities within the local government area. *"The Youth Advisory Committee is a means to unify and build capacity within the community,"* she said.

"It will help identify issues of concern to our young people as well as opportunities that may be open to them."

The committee is expected to hold its first meeting before the end of March.

Border Ranges Day Club

Seniors looking for something to do, to make new friends and have some fun are invited to join the Border Ranges Day Club.

The club meets every Monday from 10am-2pm at the Kyogle Seniors Centre in Bloore Street, Kyogle.

The club organises games, quizzes, raffles, guest speakers, entertainers, gentle exercise programs and day trips. Morning tea and lunch are supplied and transport to and from the Seniors Centre is available on request.

Cost is a small contribution of just \$5. For further information phone Helen 6633 3200, (mob) 0447 633 200, Nancy 6632 2042 or Ellen 6632 2171.

Roxy Gallery

I've Been Framed

1 April – 3 May

A group of Casino artists will travel to Kyogle to exhibit their work at the Roxy Gallery in a show titled *I've Been Framed*. Gallery director Ruth Tfitimbinis said the exhibition was reflective of the inclusive and supportive nature of the art community on the Northern Rivers.

"The Roxy Gallery has happily supported artists from throughout the Northern Rivers region and the artists of this region have reciprocated in their support for the gallery," Ruth said.

"A number of the gallery volunteers come to Kyogle on a monthly basis from areas such as Casino and Lismore and through their interest in the arts the Roxy Gallery's reputation as a great exhibition space has grown."

*Looking Back to Murwillumbah
by Tony Hennessy*

The artists from Casino are all members of the Casino Art Group which was formed almost three years ago to fill a need for artists to meet regularly in a collaborative and inspiring environment. The group started with just four people but within two weeks had grown to more than 20. Members have diverse interests, styles and mediums, but remain enthusiastic and welcoming to artists of all genres.

I've been Framed is an exhibition that demonstrates the diversity of the group. It is representative of the

broad range of work being produced by group members. Work is presented in oils, pastels, acrylics and pen and ink. Art works vary from realistic and representational, to modern, with all the work produced especially for this exhibition.

"The artists are excited to exhibit in a highly respected gallery and look forward to the opportunity to place the works in front of respected art community," Ruth said.

'I've Been Framed' will run from 1 April – 3 May with the official opening night being on Friday, 4 April, 6–8pm. The opening will give people the chance to rub shoulders with the Casino artists and to find out more about the Casino Artists Group.

Roseberry Creek Improve Habitat

Roseberry Creek landholders are set to improve threatened species habitat by targeting some prickly environmental weeds in a new \$116,500 project. The project has been funded by Local Land Services and delivered in partnership with Northern Landcare Support Services (NLSS) and the landholders. The project will involve removing weeds like lantana and cats claw, as well as undertaking fencing and tree planting to improve the condition of habitat and enhance

the value of corridor connections between World Heritage listed Gondwana Rainforest and the riparian corridor. The Roseberry Creek sub-catchment contains threatened species such as Giant Barred Frogs, Koalas, Brush-tailed Phascogales, Barking Owls, Powerful Owls and Wompoo Pigeons. It was also the place of the last sightings of the endangered Coxen's Fig Parrots. The project will increase habitat by partnering with local schools and the Roseberry Creek Landcare group to plant more than 4500 trees. "It is a great to see that the planning efforts by NLSS and Roseberry Creek

Giant Barred Frog

landholders have paid off," local resident and Roseberry Creek Landcare member Ann Hartigan said. "It is an opportunity to contribute to improving habitat for threatened species, address local creek bank erosion, grazing pressures on aquatic ecosystems and remove some of the myriad of environmental weeds including Weeds of National Significance such as Lantana and Madeira Vine. "It is also great to see this money being spent in our local shops and using local services."

Bonalbo Sporting Success

2014 may only be a few months old, but it is already proving to be a successful sporting year for Bonalbo Central School at both the primary and high school levels. Two of the school's primary students have qualified for the Northern Rivers Regional PSSA Swimming Championships after excellent performances at the Upper Clarence and Northern Rivers Zone Swimming Championships. In the high school there have been a number of

stand-out performances in a range of sports. Two Bonalbo Central School students were selected to play for the Northern Rivers Zone Girls Representative Basketball Team. As a result one of the students, Brandy Torrens-Bell was selected to represent the North Coast Girls Open Basketball Team to play at Wollongong from 25-27 March. Another student Jacob Elliot-Shea was selected in the 15 years Northern Rivers Rugby League Side to compete in the North Coast Combined High

School Carnival at Ballina. He was also selected in the 15 years Northern Rivers Touch Team to compete at Bowraville. Meanwhile, the Bonalbo Central School Canoeing Team is set, once again, to compete at the North Coast CHS Canoe Championships at Nymbodia. The team will be competing on Grade 1 and 2 Whitewater and Wildwater courses. With some excellent results in the past, the school is waiting with baited breath for the results this year.

Kyogle Library News

**What's happening
at YOUR library in
APRIL?**

AND THE WINNER IS...

The winner of Kyogle Library's Mum's 'N' Bubs Group Pamper Hamper from the Christmas 2013 meeting of the group was lovely Tiara Langwe and her beautiful baby boy Zackary who just turned one- year old. The group had not had the chance to catch-up with Tiara and Zackary before now and everyone was thrilled to surprise Tiara and Zackary with the news of their win. *Congratulations Tiara and Zackary!*

HAPPY 100TH BIRTHDAY St. Brigid's School is turning 100 this year and throughout March Kyogle library will host a display featuring class photos from the school from pre-1929 through the 1980's. If you or a member of your family or friends attended St Brigid's School why not re-live your old school days and have some fun helping put names to faces and identify old class mates at Kyogle Library.

TECH SAVVY FOR SENIORS Tech Savvy is back by popular demand at Kyogle Library, with free training sessions starting soon. If you'd like to participate in free training to assist you to improve your technology skills contact library staff for further details about this wonderful new program. You can also borrow the free Tech Savvy for Seniors DVD.

PIZZA & PAGES – Who: Teen/Tweens + Teen Tweens Friend(s) (Teen/Tweens = 10 + year olds) **Where:** Kyogle library Teen/Tween Area **When:** Thursday, 3rd April 2014 **Time:** 4-5pm **Cost:** FREE **Yummy PIZZA:** FREE Cool craft to make 'n take home: FREE – this month its foil engraving.

Essential: Chat about what you're reading, listening to, watching, eat yummy pizza, catch-up or make new friends and have loads of fun.

Further Info: Contact Kyogle Library staff at Stratheden St or phone 6632 1134.

NO RSVP: Just drop in

Tiara and Zackary Langwe receiving their Mum's 'N' Bubs Christmas Pamper Hamper.

WATERAID DISPLAY Kyogle Library will be featuring a WaterAid display explaining all about one of our most precious natural resources – safe water. Safe water is essential for life, yet 1 in 10 of the world's population still does not have access to it. During 17-21 March Walk 4 Water aims to "Change a life with every step". Brodie Clifford is taking this challenge. If you'd like to know more about WaterAid, water resources and Brodie's challenge check out the in-library water resources display, and learn how you can support Brodie.

ANZAC DAY DISPLAY Kyogle Library will be featuring a poster display and a selection of items from its extensive World War 1 collection in tribute of all those who served in the armed forces. "Lest we forget."

EASTER PAPER CRAFTS Sylvia will be presenting a papercrafting session with an Easter theme on Tuesday, 15 April, 2014 at Kyogle library. Bookings are essential as places are limited. Contact Kyogle Library staff for bookings and further details, phone 6632 1134.

LIBRARY CLOSURES Kyogle Library will be closed from Good Friday, 18 April 2014 through Monday, 21 April, 2014 inclusive for the Easter public holidays. It reopens at 10am on Tuesday, 22 April 2014. The library also will be closed on Friday, 25 April, 2014 for the Anzac Day public holiday and will reopen 9am Saturday, 26 April 2014. "Lest we forget."

Upcoming community events

Yowie Country Market

Last Saturday of every month at the Woodenbong Hall and grounds. The market always has live music (jammers welcome), a variety of stalls, hot food and the Woodenbong Art Group's kids art.

Dates for upcoming markets are: Saturday 29 March; Saturday, 26 April (this will be the market's sixth birthday celebrations).

Kyogle Farmers Market

Saturday mornings in Stratheden Street, Kyogle (between the Summerland Way and the library). To book a stall phone Rupert on 0403 628 292 or Anne on 6632 1851.

Woodenbong Show

Sunday, 4 May. Gates will open 8am with the day-long program featuring horse events, show jumping, cattle exhibits, a dog show, pavilion exhibits and novelty and children's events and activities. A barbecue will run all day and Devonshire teas will be available. Entry forms will be available from Woodenbong Driveway or online www.woodenbong.org For further information contact Show Society president Margaret Martin on 6635 1177.

Should you have an event which you would like advertised in Council's Newsletter please email to council@kyogle.nsw.gov.au attention Janelle by the 2nd Monday of each month.

KAMS Venue Change

The Kyogle Acoustic Music Society has changed the venue for this year's *Old Time and Bluegrass Jamboree*.

The show on Saturday, 5 April, will now be held at the **Kyogle Golf Club**, with camping available at the Kyogle Gardens Caravan Park. It was to be held at the Kyogle Showground. KAMS was forced to find another venue when it was discovered earlier this month that the showground had been double booked. KAMS apologises to patrons for any inconvenience the change may have caused. KAMS coordinator Kym Watling is looking forward to an exciting event at the Golf Club. Ticket holders

can exchange their old tickets at Macdades and online bookings remain current.

The *Jamboree* format has also changed and the lineup now includes national bluegrass champions *The Company*, with support from *The Barkers Vale Brothers*, *Jacqueline Elliott* and *The Pimmadonnas*.

Esteemed Master of Ceremonies Gareth Bjaaland will be the host for the evening. The *Kyogle Golf Club* is a licenced venue and bookings for meals can be made with Brenda Cameron on 0411 230 168. Off-site camping at *Kyogle Gardens* can be booked through Nicki and Rosco
