Kyogle Billycart Bonanza – *An absolutely fantastic day*

That was the consensus of just about everyone who attended the inaugural *Kyogle Billycart Bonanza*.

Up to 3,500 people are estimated to have attended the event which was held on Father's Day.

"At one stage I reckon there were up to 3,500 people watching the billycars," organiser Ron Allen said.

"That included people who were on their way to the football and stopped off to see what was happening, after

that numbers probably fell to between 1,500 and 2,000."

Mr Allen said people travelled from Newcastle, South-east Queensland and all over the Northern Rivers to attend the event.

"People both on the day and after the event have told me what a great day it was," Mr Allen said.

"Some even described it as the best family day Kyogle has had in years."

Entries in the Billycart Bonanza also surpassed all expectations.

Mayoral Vote

Danielle Mulholland has been re-elected Mayor of Kyogle Council.

Kyogle Billycart Bonanza

continued from previous page

"We hoped to get between 150-170 entries – we ended up getting 228 and ran 77 races," Mr Allen said.

"We could not be happier with how things went.

"There were a few little glitches, but we will have them sorted out before the next one."

Cr Mulholland won the mayoral vote five votes to four from the only other contender for the job Cr Ross Brown.

The election was held at Council's 8 September 2014 Ordinary Meeting. This will be Cr Mulholland's

second term as mayor – Cr Mulholland was first elected to the job last year (2013).

Cr John Burley was elected Deputy Mayor. Cr Burley won the position from Cr Maggie Creedy by five votes to four.

And for all those people who enjoyed this year's event, mark Father's Day 2015 on your calendar.

"We will definitely be

holding it again next year and we're planning on having it on Father's Day again."

Kyogle LEP Amendment

Kyogle Council's Local Environmental Plan (LEP) has been amended to allow boundary adjustments between adjoining rural properties which create lots that are less than the approved minimum lot size.

The amendment came into force on 5 September 2014.

Originally, the LEP only permitted the adjustment of common boundaries between rural properties where the resulting lots were greater than the required minimum lot size for the land. Under the amendment made by Council, owners of adjoining rural lots that are less than the minimum lot size can now apply to carry out boundary adjustments.

The intent of the change is to

permit adjoining owners to modify common boundaries where this will result in improved land use and land management outcomes.

Council will assess applications against a number of criteria to ensure that proposed boundary adjustments will not create opportunities for increased dwellings or result in potential for land use conflict (between rural and residential activities) and will not adversely affect the agricultural viability of the land.

The LEP amendment can be viewed at Council's Administration Building or online at the NSW Government legislation website www.legislation.nsw.gov.au

For a further explanation of the provisions or to discuss a potential application please contact Council's Planning and Environment Department on 6632 0293.

From the Mayor

Thank you to everyone for their support for me continuing in the role of Mayor.

I look forward to the next 12 months, working with new Deputy Mayor, John Burley.

The first combined meeting of focus group members was held on 28 August and each group is now working out the most convenient time for members to meet.

These groups will have an important role in helping Council to steer the future direction of our local government area (LGA). The groups will be dynamic and members will undoubtedly come and go so if you're interested in being part of them, why not let us know.

And importantly, they won't all be held in Kyogle if travel is a problem for you.

You can join in various ways and I'm sure we can work out any problems so at least in the first instance, put your hand up to indicate interest and we'll work out the details of how you can be involved later.

I come to my second term as Mayor with some new ideas and perspectives for Council and the LGA. Working closely with the focus groups and other Councillors, I'll be forming these into some action plans for consideration shortly.

Ideas brewing at the moment involve ways to more aggressively market our LGA and promote its many benefits and attractions.

I'm also going to be exploring ways to reach out to schools to help form closer bonds with local government and engaging young people in the business of government.

There are opportunities for events like the *Billycart Bonanza* and the *Fresh Ideas for Farming Productivity Seminar*

and I think the time is right to explore these possibilities and what they can mean for the economic growth and vitality of our LGA.

Our LGA is a wonderful place to live and work and I'm sure if everyone knew about it, we'd be swamped with offers.

Exciting things are happening, so stayed tuned and join in.

The next Mayoral Meeting will be held on Wednesday, 12 November, 2014 at Bonalbo so if you have issues you like us to know about, or if you'd just like to come along and say hello, I'd be very pleased to see you there.

All I ask is that you ring and book a time with Ms Janelle McLennan at Council on 6632 0214 so that you won't be kept waiting.

If you can also advise her of your issue and contact details (i.e. phone numbers, email, etc.) this will help me to make some background enquiries so that any information you receive is correct and up to date.

I've tried to spread the Mayoral meetings across the LGA as widely as possible but if you feel your area has missed out and you'd like one out your way, please let me know. I really would like to get to as many of you as possible so if you'd like to see us out your way, please let me know.

*Until next time, all the best,
Cr Danielle Mulholland
Mayor Kyogle Council*

Second Hand Saturday

Kyogle Council has once again signed on to be part of *Second Hand Saturday* – the biggest day of garage sales on the Northern Rivers.

This year, *Second Hand Saturday* will be held on Saturday, 25 October and will involve all Northern Rivers councils – Kyogle, Ballina, Byron, Clarence Valley, Lismore City, Richmond Valley and Tweed.

Expressions of interest to register are now open at www.secondhandsaturday.com.au

All those participating in *Second Hand Saturday* in the Kyogle and Richmond Valley council areas will have their address listed in the *Richmond River Express Examiner* the week of the event and in *The Weekend Star* on 25 October.

All garage sale locations also will be listed on the *Second Hand Saturday* website, with a map and search app to help people find preloved bargains.

Garage sales are a great way of not only reusing and recycling household items, but also a way of meeting your local community and saving money by buying second hand, rather than new products.

See the *Second Hand Saturday* website for

further information and to view a short film on what happened at some of the garage sales at last year's event.

Community Volunteering

Would you like to give back to your local community by visiting elderly residents in their home?

Volunteering opportunities now available in Kyogle through the Whiddon Group. The *Community Visitors Scheme (CVS)* is a national program that is funded by the Australian Government. By having a friendly volunteer visit at least once a fortnight, the program aims to enrich the quality of life for older people living at home who may experience social isolation or loneliness. Visits are relaxed and social in nature and provide friendship, companionship and a link to the community. If you are interested in volunteering contact The Whiddon Group on 1300 738 388 or find out more and apply online at careers.whiddon.com.au

Natural Disaster Training Day

Kyogle residents are being encouraged to take part in a free training course for people wanting to be able to help the community during a natural disaster or emergency.

The one-day course is being run by Red Cross and will be held at the Casino RSM Club on Saturday, November 8, from 9.30am to 3.30pm. During the training, volunteers learn about the role of the Red Cross in a disaster, gain hands-on skills and get to meet like-minded people who want

to make a difference to other people at a time of need. Volunteers may then be called on to meet people as they arrive at an evacuation centre, provide emotional support and a listening ear, or help with practical tasks.

To attend the training course, or for more information, phone Carolyn Forbes based in the Lismore Red Cross Office on (02) 6622 3361 or email nswemergency@redcross.org.au. Please RSVP by Friday 31st October. Transport is available to the training course from Kyogle. For further information phone Noelle on 6632 3161.

Commemorative Hedge Dedicated to the Red Cross

Kyogle Council has planted a commemorative hedge in Apex Park Kyogle to mark the centenary of the Kyogle branch of the Red Cross.

The hedge was officially dedicated at a ceremony at the park on Friday, 29 August, almost a century to the day after the Kyogle branch was formed on 25 August, 1914.

Kyogle Red Cross was the fourth branch established in NSW and was formed within three weeks of Australia joining the war.

Kyogle Council Mayor Danielle Mulholland and Deputy Mayor Maggie Creedy attended the opening along with Council's former head gardener Bruno Sudiro and Kyogle Red Cross members.

Kyogle Red Cross President Val Ferris presents Kyogle Mayor Danielle Mulholland with a Red Cross Centenary Rose at the official dedication of the Red Cross hedge.

The hedge features native shrubs such as lillypillies and melaleucas which feature red and white flowers (the colours of Red Cross) when in bloom.

During the celebrations, a cake to mark the centenary was cut and president of the Kyogle Red Cross Val Ferris presented Cr Mulholland with an official Red Cross Centenary rose. The rose will be planted in Council's Memorial Rose Garden at the Kyogle Cemetery.

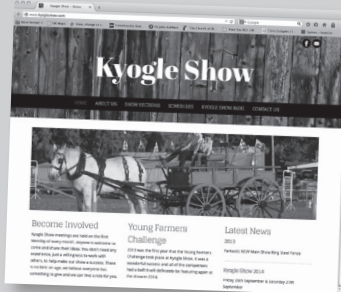

2014 Kyogle Show 26 & 27 September

With the 2014 Kyogle Show just a week away, show society members are working hard to ensure this year's event is one every member of the family can enjoy.

The Graham's Concrete demolition derby will be held on Saturday night after the Essential Energy Fireworks.

The demolition derby is always popular with spectators and with great prizemoney on offer, there's been plenty of interest from competitors wanting to take part. For further details about the rules and regulations phone Wendy on 0438 554 385.

The Ben Rixon sponsored Tug-of-War heats will be held throughout Saturday

with the finals later in the day.

Nominations for teams of five people are now being taken. The nomination fee is \$50 a team. For more information, phone Ben on 0429 030 101 or call into the show office for a copy of the rules.

Meanwhile, anyone wanting information about the show or schedules can now go to the Kyogle Show website.

Designed and built by Kyogle High student Lizzie Clark, the site is now fully operational has all schedules and relevant paper. The website is located at www.kyogleshow.com. Schedules are also available from various shops around Kyogle. For any show information you can also phone Wendy on 0438 554 385.

Rugs Galore

More than 30 people filed through Woodenbong's Catholic Church last month to view a colourful display of hand crafted rugs, beanies and scarves.

The items were knitted and crocheted by a group of women from Woodenbong and Ballina and will be distributed to needy families by the Sisters of Mercy. This is the fourth year the group of 12 crafty women has held the display. In that time they have donated about 200 rugs and wraps plus beanies, scarves and baby jumpers to people in need. The group would welcome new members and donations of wool. For further information phone Patricia Small on 6635 1331 or Rosslyn Johnson on 6630 5900.

Interested in Improving Your Ability to Tackle Weeds?

Northern Landcare Support Services will be running a free *Weed Identification Workshop* at the Kyogle Landcare Nursery on Saturday, 25 October, from 9am-noon.

The workshop will teach participants how to identify some of the common weeds of the area and feature a demonstration of weed treatment and the most up to date control techniques.

"The Kyogle area has some serious, invasive weeds that threaten the economy and the environment," Tara Patel from Northern Landcare Support Services said. *"Come along and learn how to identify some of these weeds and how to manage them in your garden or on your property."*

For more information and to RSVP for this workshop please contact Tara at Northern Landcare Support Services on 6632 3722 or email info@nlss.com.au by Thursday 23 October. Morning tea will be provided.

Maintenance and Construction Works

The first of the two East of the Range maintenance grading crews is working in the Homeleigh area.

The second crew has completed work in the Green Pigeon area and is currently in the Sextonville area.

The West of the Range maintenance grading crew has completed work on Peacock Creek Rd and Haystack Rd and is in progress on Old Lawrence Rd. Roads and Maritime Services-funded works are continuing on the Summerland Way repairing landslips at "The Glen" and "Hildebrand's".

The Jetpatcher has completed work on Summerland Way and Lions Rd and will continue on Fawcetts Creek Rd, Ettrick Rd and Afterlee Rd.

Vegetation control has been completed on the Clarence Way and will soon start on the Bruxner Highway

Drainage works have been completed on Old Lawrence Rd, Grass Tree Road, Kyogle Road and Babyl Creek. Culvert works will commence on Pines Rd and Omagh Rd.

Bridge construction works are nearing completion on the replacement of the timber bridge on Toonumbar Rd.

Timber bridge maintenance will continue on Williams Rd, Knights Rd and Lynches Creek Rd.

Dog Owners Code of Conduct

Dogs being allowed to roam unrestrained in the early morning and late afternoon have generated numerous complaints to Kyogle Council.

To ensure the comfort, safety and health of the whole community, the *Companion Animals Act* places certain responsibilities on all pet owners.

Here is a brief summary of the responsibilities of dog owners under the Act:

- If your dog is in a public place, it must be under the effective control of a competent person by means of an adequate chain, cord or leash that is attached to that person.

- If your dog defecates in a public place it is an offence not to remove the faeces.

Dogs are prohibited in:

- children's play areas,
- food preparation/indoor consumption areas,
- recreation areas, public bathing areas,
- school grounds, childcare centres,
- shopping areas and wildlife protection areas

To ensure that everyone gets along, people who own dogs should always consider their neighbours.

Here are a few items for consideration:

- Dog owners need a suitable yard which is securely fenced as they have to take all reasonable precautions to prevent their dog from escaping;
- Barking is one of the ways that dogs

communicate, but excessive barking may be very annoying and can be prevented.

Some things to consider:

- can the dog see other people or dogs walking about?
- does the dog have enough room to move?
- is it getting enough exercise?
- is it seeking attention?
- is it lonely?
- is it sick?

Additional advice on measures to assist in reducing a dog's barking is available from Kyogle Council on 6632 0293.

St. Brigid's Photographic History

A disk featuring more than 300 photos of Kyogle's St Brigid's Centenary Weekend has been compiled as a lasting souvenir of the event.

Kyogle photographer Jim Hogan and his team put the disk together, which is now available for purchase for \$20 (which includes postage).

The photos capture every moment of the weekend-long event which was held on 16-17 August.

Up to 1000 people attended the celebrations which marked 100 years of Catholic education in Kyogle and included an open day at St Brigid's,

a formal dinner and a special mass followed by morning tea.

"The weekend has been described by those who attended as brilliant," Cinnamon Clark, one of the organisers, said.

"The photographs are a wonderful tribute to fantastic place of learning and the marvellous people, who over the last centenary, have helped mold St Brigid's into what it has become today."

Anyone wanting to purchase a photo disk or any of the merchandise that was especially designed for the Centenary, such as mugs, medallions or keyrings, are asked to email cinnamonclark@gmail.com or make contact with any of the organising committee members.

Roxy Gallery

Scenes From My Window and My Wanderings

Till 1 November

Local artist Rodney Brown has described his first solo exhibition currently on show at Kyogle's Roxy Gallery as a gamble and a challenge.

"Going it alone in the world of visual arts means exposing yourself to the eye of the beholder, really that's the only way art can be seen anyway, but, we don't know what that eye brings with it," he said.

"Perhaps they will see what I see, perhaps they will see something I don't see; either way it is somewhat of a gamble and definitely a challenge."

The exhibition is titled *Scenes From My Window and My Wanderings* and will run until November 1. Rodney's exploration into visual arts has been a life time preoccupation and he has succeeded in producing an inspiring

body of work, particularly after an 18 month concerted effort of creative activity. His focus and fascination has centred on the "how" as opposed to the "why" of painting and his subjects have been directly taken from the world around him. Rodney has captured scenes from the window and images from his wanderings, combining the man made and naturally occurring images and composing them together. From still lifes to vast vistas, back streets and old sheds – it seems anything that his eyes fell upon was considered fair game to paint.

"To me art is a conscious expression of experience, a communication of discoveries and understandings," Rodney said.

"This is an ongoing process as each experience builds to the next and each is perfect in its moment."

"Some offerings may fall short, others shine but in the end it is all in the eye of the beholder."
