Application to Kyogle Council on behalf of The Gold Coast Tweed Motorsporting Club Inc (GCTMC Inc).

The Gold Coast Tweed Motorsporting Club Inc. is seeking permission from, and the support of, the Kyogle Council to conduct the Yowie Country Rally on Saturday 1st December 2018. This event will mirror the successful 2015 rally with no significant changes being anticipated by the organisers.

The original date for this event was the 13th October 2018. However, a major bike event is planned for the same weekend in Woodenbong and has been adopted by the Woodenbong Showground Trust.

The only date that is available on the crowded motor sport calendar for the remainder of 2018 is the 1st December.

The GCTMC Inc. and the event organisers are very aware of a possible fire risk on that date. As such we will have discussions with the RFS regarding crew availability for the event. We will take guidance from the RFS and if summer rains fail to materialise and the RFS deem the fire risk is too great, the event will be cancelled.

The GCTMC Inc. is seeking the following commitment by the Kyogle Council:

- 1. *Approvals to conduct the Yowie Country Rally on the 1st December 2018***
- 2. *That the Kyogle Council provides a budget for Council to provide traffic control services and signage as per the Event Overview (see proposed road closures).***
- 3. *To waive the fees for 'Applications to Conduct Works in a Road Reserve'.***
- 4. *Assistance with mailing road closure letters to residents along the roads to be closed. We will of course still talk with residents and hand out letters to these residents.***

Please see included with this cover letter an Event Overview, Application to Conduct Works in a Road Reserve, Traffic Management Plan and draft Safety Plan.

If a Development Approval is required, please forward the relevant documentation at your earliest convenience.

The GCTMC Inc. wish to continue to involve members of the local communities as much as possible. The communities of Woodenbong and Urbenville have been very supportive of previous events and the organisers of these rallies recognise and greatly appreciate their support.

Please contact me at your earliest convenience to discuss any details that require clarification. We look forward to Council's favourable consideration of our requests.

Please contact John Careless for further clarification of details if required on 0413250005 or 07 5534 8986.

Yours faithfully
