You have the opportunity to participate in Council meetings in the following ways.

Question Time (Council Policy)

A public Question Time session is scheduled following the Declaration of Interests as part of the Ordinary Meeting. This session allows residents to ask questions of Councillors or Management on any issue without prior notice.

Each speaker has a maximum allowable time of 5 minutes.

If a response to a question is not able to be provided during question time, the speaker should be requested to put their question in writing and a written response will be provided in due course and tabled at the next available Council meeting.

The Chair has the right to refuse any question, to refuse to take any further questions from an individual or to cut short the session.

Public Access (Council Policy)

Public Access is scheduled for all Ordinary Meetings of Council.

Residents may apply for public access by registering an interest to raise a specific matter with the General Manager, by phone or in writing by close of business on the working day preceding the meeting.

The General Manager, in consultation with the Mayor will consider each application for public access on its merit.

Residents will not be granted more than one public access request each calendar year (except where the subsequent request(s) directly relate to an item on the agenda for the meeting at which public access is requested).

No more than two speakers for a subject will be permitted at any meeting.

If granted Public Access by the General Manager, the individual resident will be allowed five (5) minutes to address Council with an extension of five (5) minutes for Councillors to direct questions to the speaker.
