OLD BONALBO RESERVE

EXISTING CONDITIONS

Drawing Details

Site name: Old Bonalbo Reserve

Scale: 1:500 at A3

Date: 22 July 2020

Sheet: 1 of 2

LEGEND

- - - Site extents
- ← - - → Proposed vehicular movements/access
- ← - - → Existing pedestrian movements
- ← - - → Proposed pedestrian movements
-  Provide distinctive entry statement (include signage)
-  Proposed pedestrian entry / threshold
-  Rainwater tank opportunities
-  New court fencing
-  Plant native shade trees
-  Park seating (shown indicatively)
-  Lighting (shown indicatively)

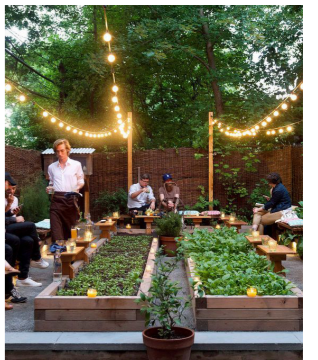

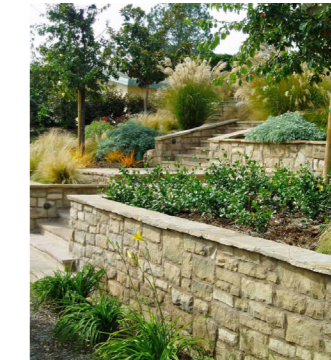

- Arborist to assess the health of existing pine and gum trees
- Investigate provision of new vandal-proof public toilets
- Picnic area with new shelter, seating and BBQ
- New small playground with shade provided overhead
- Provide pathways to link key spaces within the two reserves
- Provide park benches to edges of multi-use spaces (preferably located under trees for natural shade)
- Catenary lighting opportunity over paved plaza area
- Picnic area with new shelter, seating and BBQ
- Outdoor classroom with bench seating (or ensure first tier of retaining wall is at seating wall height, i.e. approx. 450mm high)
- Trellis / arbor structure to provide a focal point and provide shade for outdoor classroom area
- Provide vehicle access and car parking area off Sinclair Street
- Community garden area using raised planters and may require terracing due to sloping terrain
- Upgrade existing clubhouse building. Investigate the opportunity to provide a deck off the side and back that overlooks the community garden area below. Install rainwater tanks to capture and reuse as irrigation for the gardens.
- Upgrade flood lighting (investigate solar lighting options) and install new fencing to courts
